Fox River Navigation System Authority, Friends of the Fox, Fox-Wisconsin Heritage Parkway

The Fox River Navigation System Authority are at mid-point in the process of returning the locks operational and are taking the necessary steps in securing the future of the former lock keepers' residence. Presently work is in progress at the Kaukauna Locks. The Aquatic Invasive Species barrier at Rapide Croche are making great progress in their planning stages along with a plan for AIS training center, open to the public. The Fox-Wisconsin Heritage Parkway is rehabilitating four lock houses, which were once occupied more than 25 years ago. Each house will be renovated to correspond to the time period in which it was built ranging from 1892-1927. These houses once renovated will be open to school tours and overnight vacationers. Restoration at the Cedar Lock House, built in 1927 has begun. Each of the four lock houses are listed with the National Register of Historic Places. The FWHP are asking for construction volunteers, donations of furnishings during the period of 1892-1924 and storage space needed for accumulated furnishings. Please support the Friends of the Fox on June 1st for "Cruise the Locks". Starting at AYC 8:30am, continental breakfast 9:30am, annual meeting 11am with captains meeting to follow, Noon 1st lockage to Sunset Park Kimberly, back to AYC for get together, 733-9848.
